Farm art – we want your talents!

The NSW Farmers' Association is calling on all Members to show their artistic streak!

NSW Farmers' Association President Jock Laurie says the Association is searching for the most outstanding photograph, painting and children's poster to display at this year's Annual Conference.

"Last year we ran a very successful photography competition, where farmers captured some amazing images of their life on the land, so the idea this year was to open this a bit wider," Mr Laurie said.

"Why shouldn't we use different mediums to capture that which means so much to all of us," Mr Laurie asked.

The winners of the photographic and art competitions will receive a return flight anywhere on the REX airline, and the winner of the children's poster competition will win a Nintendo Wii.

"We're looking at farming generations and bush celebrations, imagery that represents rural life and what farming means to you," Mr Laurie said.

There will be an exhibition of entries at the NSW Farmers' Association Annual Conference in July.

"This imagery will be a wonderful public demonstration of what we do and who we are – I urge you to get involved," Mr Laurie concluded.

For more information, head to www.nswfarmers.org.au, or call 1300 794 000. The NSW Farmers' Association Annual Conference will be held from Tuesday 29 – Thursday 31 July.
