Dinner to celebrate horticulture

The NSW Farmers' Association is inviting all interested producers to come along to the 2008 NSW Horticulture Industries Dinner at the end of this month.

NSW Farmers' Association Horticulture Committee Chairman Peter Darley says this is the industries third such event, and it's expected to be huge!

"We are expecting over 400 guests to come along to our wonderful venue at Dockside, Darling Harbour, to celebrate our industry," Mr Darley said.

"Horticulture is a vibrant, strong industry, and this dinner is a wonderful opportunity for everyone throughout the chain and key stakeholders to socialise in a leisurely environment," he said.

"We all work extremely hard at growing and providing the best quality horticultural produce for Australia and the world, so the chance to have a night off and come together is marvellous," he said.

Thanks to the generosity of platinum sponsors Chep, Ace Ohlsson & Syngenta and gold sponsors Elgas and Woolworths, the Organising Committee is able to offer substantially reduced tickets of \$75, which includes a 3 course meal and drinks.

"We will enjoy music from "the Enormous Horns" and I can reassure football fans, the Bledisloe Cup will be broadcast on a big screen," Mr Darley said.

"I would really urge everyone in the industry to come along, let your hair down for an evening, and enjoy the company of the talented and hard working people in horticulture," Mr Darley concluded.

The NSW Horticulture Industries 2008 Dinner will be held on Saturday 26 July, 2008. For bookings and enquiries contact NSW Farmers' Association Regional Service Manager Frances Vella, 0428 228 818.

The ticket price also includes return bus trips from Theresa Park, Leppington, Wilberforce, and Windsor. This event is also sponsored by Agrichem, WFI, Ausveg, Westpac, Sydney Markets, Agrobest, Cropcare, DPI, National Farmers' Warehouse, Leppington Speedy Seedlings and Drummuster.
