Mining study needed

The NSW Farmers' Association is concerned regarding safeguards with the NSW Government announcement that it will grant an exploration licence for a five year period in the Gunnedah area to China Shenhua Energy Company. NSW Farmers' Association President Jock Laurie says the Association is calling for the State and Federal Governments to commission a fully independent, catchment wide study.

Apples for fundraisers!

The NSW Farmers' Association is promoting apples as a healthy alternative for school and child care fundraisers, as well as a delicious treat! NSW Farmers' Association Horticulture Committee Chair and Orange apple grower Peter Darley will be handing out apples at the Narani Child care centre in Kogarah this Thursday, and donating boxes of apples for the children to sell as a fundraiser for the Centre.

A first for the lamb finishing industry

A Code of Practice is being developed to provide national standards and guidelines as an initiative of the Australian Lamb Finishers Group ('ALF') and the Sheepmeats Council of Australia ('SCA'). Funding has been managed by Meat and Livestock Australia ('MLA'). This code is the first of its kind for the Australian lamb finishing industry. As part of this process a number of producer information and feedback days have been organised by the MLA.

Forums this week

NSW farmers and rural and regional community members are being asked to help shape Australia's drought policy, at forums being held around the state from this week looking at the social impacts of drought. The expert panel is aiming to determine the types of social support people value in times of drought, irrespective of whether they are eligible for Exceptional Circumstances assistance.

The Association encourages Members to get along to these meetings and to have their say.
