This year the Dairy Section has once again teamed up with the Dairy Industry Development Company (DIDCO) and the Dairy Industry Association Australia (DIAA) NSW section to hold what will truly be a whole of industry event. ### Friday 13<sup>th</sup> June 2008

- It is not necessary to attend the whole conference to participate in this meeting, there is no cost associated with attendance and members and non members are welcome

This year the Dairy Committee have resolved to reimburse the following amounts to all dairy members who attend the 2008 Joint NSW Dairy Conference (Claim forms will be provided at the conference and amounts reimbursed to members):
