## High Court challenge today

The NSW Farmers' Association is facing the High Court today, in continuation of its campaign on the property rights of farmers.

The Association has briefed David Jackson QC and Bret Walker SC in preparation for the Special Leave to Appeal Application taking place today and tomorrow at the High Court in Canberra.

The Association is seeking just terms compensation for all farmers in judicial and legislative action and lobbying respectively in the lead up to the State and Federal Elections.

The Association has provided significant financial support to Peter Spencer via the Australian Farmers' Fighting Fund to support the legal challenge before the High Court. It has also committed funds to support lobbying efforts on property rights for all farmers.

The High Court appeal is expected to begin at midday today.
