

COMMODITY VALIDATION

What are your 5 major products for 2010?

Please list the 5 primary commodities you will produce in 2010 and the approximate percentage (%) of these commodities to your total farm production - refer to the example provided here.

By informing us of the commodities you produce and the proportion of these commodities to your total farm production, we will be able to provide you with commodity specific publications and ensure you receive your appropriate allocation of voting rights.
