Taste each of the varieties listed and rate out of ten

Variety	Description	Our Family Rating (score out of ten)
 Royal Gala Apple	Gala is a round sweet apple that fits nicely into a child's hand. It is dense, sweet, aromatic and juicy with a white flesh.	 / 10
 Golden Delicious Apple	Golden Delicious is excellent as an eating apple, with its crisp, creamy, white flesh, which is sweet, tasty and juicy.	 / 10
 Red Delicious Apple	Red Delicious has a sweet, highly aromatic, creamy, white flesh and is popular in many dessert dishes.	 / 10
 Fuji Apple	Fuji is a big apple with a honey sweet taste, and many consider Fuji to be the perfect eating apple. It is firm-textured, crisp and juicy and often has a see-through core.	 / 10
 Braeburn Apple	Braeburn is a crisp, juicy apple with cream-coloured flesh and a unique flavour that combines sweetness and tartness.	 / 10
 Pink Lady™ Apple	Pink Lady is known as the Queen of apples. It is a crisp apple with a dense, firm flesh and an excellent, almost effervescent flavour.	 / 10
 Granny Smith Apple	Granny Smith is one of the best cooking apples with a sensational tart, tangy flavour. When fully mature the sweetness level of this popular apple increases.	 / 10
 Jazz™ Apple	Jazz is the newest addition to the apple family. It is a distinctively original new variety with firm but dense flesh and a tangy, sweet flavour somewhat reminiscent of peaches and melon.	 / 10
 Sundowner™ Apple	Sundowner is a great eating apple, with sugar levels that improve with storage, making them a sweet, flavoursome apple, perfect for baking.	 / 10
