Media Alert – Bundarra Exceptional Circumstances

All community members in the Bundarra area are invited to a meeting next week to discuss the recent Federal Government decision to not extend Exceptional Circumstances to the region.

The NSW Farmers' Association is extremely concerned by the decision, and has called on the Federal Government to clarify why it has been made.

The meeting will provide the opportunity for local farmers and small businesses to discuss the situation and ways forward.

Farmers are asked to bring their rainfall figures to support any actions for a review of the decision. Please bring actual monthly rainfall for the 12 months December 2008 to December 2009 and average monthly rainfall figures.

NSW Farmers' Association Senior Vice President John Ridley will be in attendance.

Date: Tuesday 23 March 2010

Time: 10:00am
